TESTIMONIALS

"The table decorations were more than a success; they were an inspiration... they made a great memento to our organization. All of our guests thought they were great and were delighted to take them home, so much better than flowers... Thank you so much and I certainly look forward to using your firm again."

- Arlene Jacobs, Development Officer The American Numismatic Society

"I have to tell you the room looked phenomenal! The guest loved the look and were so excited that they could take them home."

- Donna L. Bruce, Staff Assistant Northwest Federal Credit Union

"How can I begin to thank you? You were an absolute lifesaver. From helping us decide on the correct color scheme to going beyond the call of duty to send us extra material at the last minute, you accommodated all our needs. On behalf of the Office of Public Affairs, thank you again for everything."

- Krista Klaproth, Assist to the Special Events Coordinator, Northern Arizona University & Janise Liddell

"I had seen your arrangements before I ordered them at a good friend's wedding. I knew they would be great. But the big question was would the owners of our company think the same thing not only did the owner of our company think they were great, but so did everyone else. It gave off the WOW effect."

- Alexis Kitt, Communication Technology Services, Inc.

"Just wanted to thank you for a great job in putting together and shipping the centerpieces for our Orlando Convention Banquet. They looked great! Everyone commented how unique they were. It was a pleasure working with you."

- Darlene Summers, VP Meetings and Conventions, American Rental Association, Chicago, Illinois
